product project	MTP-3F ( 80mm )
printing method	Line thermal
Resolution	203DPI, 8 dots/mm
Paper width	80mm
printing speed	90mm/S

<b>Communication Interface</b>	<b>Wired: Micro-USB interface</b> <b>Wireless: SPP / Android + BLE / Apple iOS dual-mode Bluetooth</b>
<b>Instruction Set</b>	<b>ESC / POS compatible instruction set</b>
<b>Custom character</b>	<b>stand by</b>
<b>Chart</b>	<b>Support different density dot map printing, raster bitmap printing and download bitmap printing</b>
<b>Code page</b>	<b>Supports 45 international character sets such as simplified Chinese, traditional Chinese, and English</b>
<b>UTF-8</b>	<b>stand by</b>
<b>Barcode</b>	<b>UPC-A; UPC-E; EAN-8; EAN13; CODE39; ITF; CODEBAR; CODE128; CODE93; QRCODE</b>
<b>Paper type</b>	
<b>Paper width</b>	<b>79.5±0.5mm</b>
<b>Paper roll diameter</b>	<b>40mm ( MAX)</b>
<b>Paper tearing method</b>	<b>Manual tear</b>
<b>physical dimension</b>	<b>130*110*60MM(LxWxH)</b>
<b>weight</b>	<b>350G</b>
<b>Print head life</b>	<b>50KM</b>
<b>battery</b>	<b>Rechargeable lithium battery: 7.4V, 2500mAh</b>
<b>power supply</b>	<b>DC5V2A</b>

# Bluetooth 4.0 connection

Support system: Android + IOS Stable printing

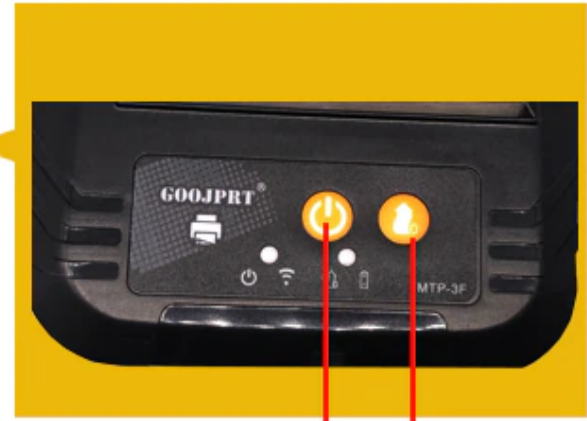

# Computer connection
